## A BETTER WAY TO GO!®

Located just eight miles from of downtown Akron, the Akron-Canton Airport offers nonstop service from 14 destinations aboard your favorite airlines: American, Delta, Spirit and United. Plus, CAK offers the lowest airfares in Northeast Ohio.

Akron-Canton Airport is small enough to make travel a breeze, yet large enough to offer the service you want to the destinations you love. Easy check-in and short lines means less time waiting and more time for you.

The lines may be short, but the list of amenities at CAK is long. From free Wi-Fi to fast and convenient dining options, there are many pleasantries to be found throughout the bright, clean terminal-all to help make your travel experience even more enjoyable.

Ground transportation is conveniently located right outside of baggage claim. With on-site car rental from Alamo, Avis, Budget, Enterprise, Hertz and National Car Rental, you can grab your bags and go.

Taxi, limo and shuttle options are also available steps from the terminal. Also located outside of baggage claim, you can enjoy the option of pre-arranged limo pick-up or ride-sharing service.

For those picking up family and friends, there are convenient parking options located around the airport, including a cell phone lot and nearby short-term parking. With easy parking and an easily accessible terminal, don't forget about CAK's Hug Zone - where family and friends can meet steps from the gate.

You don't have to lower your expectations to lower your airfares - 1.5 million customers can't be wrong.
